Bring your package to any UPS center, UPS store or hand the package to any UPS driver. You may also visit www.ups.com/dropoff to find the UPS drop off location nearest you. Please be sure to put your shoe box inside of another shipping box, the way it was delivered to you. Using the shoe box as the primary shipping box will result in a \$10 fee. If you use your own shipping method, please be sure to use a service that includes tracking and insurance.

If you need an exchange please place a new order online or by phone. Then, just use this form to return the item(s) you don't want for a refund.

All refunds will be issued to the original payment method within one week of arriving at our warehouse. Please allow up to 10 days for refund to appear.
